

THANK YOU!

For Swimming!

What a great way to kick off the new season! We had the biggest turnout since before the pandemic. Jamestown Y brought eight swimmers who traveled five hours roundtrip. We salute you!

It was exciting getting back on the blocks at the Sewickley meet. Thanks again to Bill White and Carol Ide for running a very efficient meet.

A big shout out to all of our **FIRST TIME** swimmers! Micah Bender, Mark Brazaitis, Merri Clark, Jeff Furis, Tammie McEhinney, Josh Pinaroc, Lew Ruffing, Jo Nell Strough, and Barry Wolbert.

October's meets are B schedule meets and include Oil City YMCA and Edinboro University (reverse order meet).

*Please be sure to get your entries in on time! Your team reps are volunteers who have busy lives; let them know if you are not swimming so they won't be wondering.*

*\*\*\*The Franklin YMCA will be hosting our Nov. 19th meet\*\*\*\**

If you are participating in the Marathon Swim or Ironperson, please get your forms from the website (<http://www.amymsa.org>) so you can start tracking. There's always great merch for those awards!

See you in October! Swim Happy!
